*The man I love
was scouted by a
cosmetic company
which made him
sign a modeling
contract*

*even if my love is
an unrequited one*

*I wish he
would give
me the
same
support*

*my classmate...
is now half-naked
all over the city*

Little
perverted
Pin-

what
are
you
looking
at ?

Ao

...

hi
!

I could
never
confess
my love

it
makes
me
want
to eat
you

you're
so
cute
when
you
panic

wa

W

Chomp

waouh

I feel like
I'm going
to faint

his face
is so
close

hey go
cute I like
you I like
you I like
you I like

what
?

crap
I
we're
going
to be
late
!

Hurry !

let's
go
to
school
!!

kyaaaaaaah

This Ao

*he may
be famous,
however
he isn't full
of himself*

*and
he may
order me,
but he
isn't
strong*

*poor
me*

*you're
heavy
weight*

roah !!

*I love
him*

going
out?

say,
Mei!
are Ao
and you
...

you call
along with
it sounds like
you don't
sleep-forting
both of you

would
be
okay
?
you have
a sign on
your head

going
out
...

what?
no way
!!

even
so
it's
the
truth!

we're
not
going
out!
and
we
don't
either!

we
are
just
friends
...

I wish
I was a part
"her girlfriend"
but

It
looks
firing !

when
you're
going to
visit, I
will buy
you books

Hey! stop
staring

and
give me
a hand !!

Rah /
honestly !

no
way !!

we may
be close,
and good
friends

we get along
too well. It could
break everything
that we had for
the past years
that I've known him

ME!

how
mean
!

it's
not
possible
—

B
A
N

CLANG

Someone's
got
hurt !

TEACHERS !

—
—
—

GO THUMP

XXXXXXXXXX

His
back
and his
face

are
covered
with
scars
!

did
you
protect
me
?

why

even
so

you
were
never
out
of
yourself

As

you
were
famous

MEN'S
Beauty

you
were

a
model
!!

...

it's already been
one month

I thought
I would never
see him
again here

and now
you tell
me you
want to
change
schools

*I am
not fated
to be
with him
!*

"Stay away from Aoi"

*"You have completely broken
my chance to meet Aoi!"*

*"He is confused
with Aoi!"*

here,
these
are the
forms
to fill

it
saddens
me, you
know ?

You
should
not
coment
yourself
like
this

you
...
lost
some
weight

*As will soon
leave the hospital*

*I would like
to not be
around when
it will happen*

because
of me

Just like
these
horrible
messages
on this
door

His eyes
will not
disappear

Thank
you
for
every-
thing

We will
never be
able to be
together

Die
you ugly!!

Ao

THUMP

you

are
going
to
change
schools
?

because it
was my
fault that
I failed
you

that's
what
I think

Not
just
his
little
pet
!

it's the
girl who
hurt Ao
and she
leaves
tomorrow

Really
?

so we
can
rape
her
?

to
to
to

now I
don't
care

of what
really
happen
towns

we'd
better
get her
quickly

she
may
be
still
around

clench

they
are
staring ?

I will
never
forgive
you
!

if you
run
away

and
leave
me
!

how
mean

to be
kidd' yek.
So.
Because

you
don't
seem

the more
I hear
and
longing
for

after all,
I am
the one

who
hurt
you
!!

hurting
him

BAM!

SO

strong

I
made

As
angry

infirmary

eh

?

A...

...Ooo

are
you
so kind
to me

?

why

Ao

...

I

...

made
you

angry

...

and let
me just
embrace
you

?

don't

...

Speak

A...

...O

*I feel
like I am
dreaming*

*the rain
I love is
embracing me*

*It's so
soft and
warm*

Mei

...

!!

I would
love if
time
stopped
forever

*It's
so bright*

*so
sparkling*

*I'm
like
in
heaven*

Ao

...

*I always
loved Ao*

*each day
you were
as handsome
as the
day before*

and this

*filled me
with
happiness*

○

—

*my body
still remembers*

*the warmth
of his body*

I am
going to
make
sure
to not

forget
this
feeling

*I don't
hate
you,
Mai*

hello?
more?

the words
were not
enough to
express it
clearly
enough

the fact you ran away

I ruined your future

forgive me

made
me
really
angry
and

eh?

be-
cause

to be
over there
already

I

...

I
would

clap

like

the distance
through the phone

I
love
you

it
made me feel
even more
the distance
between us

Ao

the warmth
of Ao

disappeared

farewell

farewell
Ao

and I even
made friends

okay

2
months
later

well I
am
going
home
together

every time
you turn
down guys

do you
hate them
or what

and you,
Yuko
you look
so well
known
here

oh
I
mean

but I

no
thanks

do you
have a
boyfriend
if you
want
I can
introduce
you to
guys

well
are
in
love
now

he
appeared
in the
new
Men's

I
wonder
who it
will be
this
time

I found
a very
cute
one!

Speaking
of well
known
cats

and
other
cute
things

I can't think of
a new relationship

because
